I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNDOF FOR THE PERIOD 1 DECEMBER 1992 TO 30 NOVEMBER 1993

A. Period from 1 December 1992 to 31 May 1993

1. By Security Council resolution 790 (1992) of 25 November 1992, the mandate of UNDOF was extended for another period of six months, i.e., until 31 May 1993. Under the terms of resolution 47/204 of 22 December 1992, the General Assembly decided to appropriate to the Special Account an amount of $18,206,500 gross ($17,718,000 net), for the operation of UNDOF for the period from 1 December 1992 to 31 May 1993, inclusive. It further decided that there should be set off against the apportionment among Member States their respective share in the estimated income other than staff assessment income of $7,500 and their respective share in the Tax Equalization Fund of the estimated staff assessment income of $481,000.

2. The General Assembly further resolved that there should be set off against the apportionment among Member States their respective share in the unencumbered balance of $911,000 gross ($841,000 net) for the period from 1 December 1991 to 30 November 1992, inclusive. This served to reduce the level of commitments for the six-month period from 1 December 1992 to 31 May 1993 to $17,295,500 gross ($16,877,000 net).

3. These amounts have now been apportioned among Member States for the period from 1 December 1992 to 31 May 1993 in accordance with the provisions laid out in section I.C below and are shown in section IV. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolutions 46/193 of 20 December 1991 and 47/218 of 23 December 1992.

B. Period from 1 June to 30 November 1993

4. Under General Assembly resolution 47/204 of 22 December 1992, the Secretary-General was authorized "to enter into commitments for UNDOF at a rate not to exceed 3,034,000 dollars gross (2,953,000 dollars net) per month for the period from 1 June to 30 November 1993, inclusive, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 790 (1992), the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution".

5. By Security Council resolution 830 (1993) of 26 May 1993, the mandate of UNDOF was extended for six months to 30 November 1993. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $18,204,000 gross ($17,718,000 net), representing commitments for UNDOF for the period from 1 June to 30 November 1993 was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section V.

C. Apportionment of the costs of peace-keeping operations

6. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

7. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

8. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

9. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNDOF. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/243 of 21 December 1990, 46/193 of 20 December 1991, 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.
